Version 2.00

Department of the Treasury • Bureau of the Public Debt

Installation Instructions

- *Insert the CD into your CD-ROM drive, and a menu will pop up providing you with selections. Although almost all links are self-contained, Internet access would be helpful for a few features.*
- *If the menu for items on the CD does not automatically appear, open My Computer, double-click on the CD-ROM drive icon, and double-click on the file icon: menu.htm. Your browser should load and the CD's menu should appear.*

System Requirements

- *Microsoft® Windows® 95 and above.*
- *Microsoft® Internet Explorer 5.0 or higher for Windows® 95 and above.*

- *Netscape® Communicator 4.05 or higher for Windows® 95 and above.*

Technical Support

*Bureau of the Public Debt
Division of Special Investments
P.O. Box 396 • Parkersburg, WV 26106-0396

Learn to Manage Your SLGS Portfolio Online

Version 2.00

While many of the features in SLGSafe make it easier to process SLGS, the benefits also add value to the service you provide your customers:

- You'll get immediate confirmation when you subscribe, change subscriptions and cases, or redeem securities.
- You'll have access to account information to verify or reconcile records within minutes.
- When you're conducting transactions online, you receive immediate responses to your requests.
- SLGSafe will be open for your use from 8:00 a.m. to 10:00 p.m., Eastern time, Monday - Friday.
- You're eliminating paper and paperwork, and so are we - saving you and the taxpayer time and money.
